

Montana Double SNAP Dollars

A Win for Farmers, Families, and Local Economies

Why Participate?

The match adds up!

If you attend once a week from May through September, **you could get \$600 in FREE Double SNAP Dollar coins** to spend on fresh produce

Locally grown produce is better tasting and healthier!

Not only does the produce come from down the road, it is picked at the height of its ripeness for a better taste and more nutrition.

Try new food and learn new recipes!
