Montana Double SNAP Dollars A Win for Families, Farmers, and Local Economies

WHY PARTICIPATE IN DSD?

The match adds up!

If you attend once a week from May through Sept., you could get **\$600 in FREE Double SNAP Dollar** coins to spend on fresh produce.

Locally grown produce is better tasting and healthier!

Not only does the produce come from down the road, it is picked at the height of its ripeness for a better taste and more nutrition.
